

The Valentine
By Alex Chung

Valentine's Day is coming soon,
And then the fun will start.
I hope I get some chocolates
In a box shaped like a heart.

I'll share them with my friends
And hand out valentines, too.
When I have one card left,
I'll give it right to you!

**I'd like to send a valentine to
___ because . . .**

President's Day
By Alex Chung

In honor of the presidents
We have a celebration.
We celebrate George Washington,
The Father of our nation.

We celebrate Abe Lincoln
And other leaders, too.
And maybe in the future
We'll be celebrating you!

**If I were the president, I
would . . .**

The Race
by Mary Sullivan

I like to run,
I like to race.
Today I did my best.
And I was so much faster
Than I ever would've guessed.

When they said "start"
I moved so fast
I thought that I might burst.
But I huffed and puffed and tried so
hard-
I crossed the finish line **first!**

A sport I enjoy is ____
because . . .

The Octopus
by Christine Corona

In the shallow water,
Underneath the waves,
And octopus is hiding,
Inside its rocky cave.

The octopus has eight arms
With suckers on each one.
I wish I had that many arms.
I think it would be fun!

If I had eight arms, I
would . . .
