

# **HAMBURGER HEAVEN**

## **BY: WONG HERBERT YEE**

This book can be used as an introduction to economic resources (natural, human, capital) or as a review of resources.

### **Recommended Lesson:**

- Before lesson, print, laminate and fasten magnets to the back of the book cards and headings. Or you may choose not to laminate and print them from year to year.
- Read the book. Taking time to discuss all the resources they see in the book.
- After reading, put the headings on the board.
- Give a Hamburger Card to each student.
- One at a time, have students come up and sort their card explaining how they know it's a natural, human or capital resource.
- Do this until all cards have been sorted.
