

Ms. Winston's Weekly News January 31-February 3

What We're Learning

Math- We will review the commutative property of multiplication and begin to identify the inverse relationships of multiplication and division.

Social Studies- We will begin a unit on Explorers this week. We will learn about Christopher Columbus, Christopher Newport, Jacques Cartier and Juan Ponce De Leon.

Science- We will begin a unit on the Sun, Moon, Seasons and Cycles.

Writing- Students will continue to write paragraphs. This week they will be writing about a polar animal.

Reading- Students will review reading strategies while listening to various football books.
