

## Native American Project

Due Date: \_\_\_\_\_

We have been learning about the Powhatan, Lakota, and Pueblo Native Americans. Choose a project below to complete. Be creative and have fun!

1. Make a poster to show the following about one of the tribes we studied. The name of the tribe, type of home, transportation, occupations, and region they lived in.

2. Choose one of the tribes. Write a paragraph telling the name of the tribe, type of home, transportation, occupations, region they lived in, and the climate, land, and plant life of that region.

3. Choose one of the tribes. Create a diorama or model that shows the type of home this tribe lived in. You may also choose to include one of the following: crafts, foods, or transportation.
