

Name:

# Weather

## Scavenger Hunt

Find...

something that grows toward the sun	
something that is moving because of the wind	
something that needs rain	
something that is in the shade	
something that is found in the sky	
something that could be damaged by a storm	
something that changes with the seasons	
something that could be carried by a strong wind	
something that could be struck by lightning	
something that would need protection
